Bleacher Podium Assembly Instructions

Step 1:

Attach the front (long) legs to the podium using the 4 bolts, washers, and nuts.

Note - the front of the podium is OPPOSITE the end with the white bleacher padding.

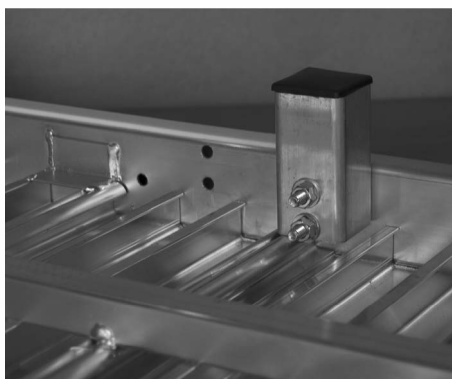

Step 2:

Attach the rear (short) legs to the podium using the 4 bolts, washers, and nuts.

Note - the rear of the podium has the white bleacher padding closest to the short legs.

Step 3:

Attach the bleacher posts to the center of the podium

Step 4:

Attach the rails using the rail hardware. Notice that the bleacher post can be adjusted to fit any bleacher.
