

CUSTOM MARCHING BAND UNIFORM DESIGN GUIDE

Always made in the USA, In Stock or Custom! Whether straight from the catalog or a completely original design, Band Shoppe is proud of every uniform we make. Feel free to use the attached templates to brainstorm your ideas. Our Sales Team can assist you in coming up with a unique, one-of-a-kind look that reflects your group's particular style and show theme. Planning early, communicating regularly, and avoiding major changes to your design once committed will avoid delays in getting your uniforms!

STYLE OPTIONS:

Because our Marching Band are made to order, you're free to mix-and-match! This guide shows our most requested styles but you're not limited those shown.

REMEMBER: When you sign and return your "Sketch for Approval", you are stating that you have checked for accuracy. Double check spelling, artwork, color information, and pattern shape/size/dimensions.

100% MILLIKEN POLY

Band Shoppe proudly continues to offer VISA System 3™, a technology by Milliken, on all 100% polyester marching uniforms. Unrivaled in the industry, their polyester fabrics provide superior comfort, stain release, and moisture management. Milliken is a leader in dye lot reliability, which means your reordered uniforms will match year after year.

PRINTED UNIFORM ARTWORK:

We can always reduce the size of an image that's too big, but making a small image larger isn't so easy. Blowing up small images creates pixelation or blurriness. A good rule of thumb is: If the image you have in mind doesn't print crisp and clear on your home printer, it will look even worse on your uniform. Our Sales and Design Teams can work with you to create dazzling all-over and individual pattern piece prints using your artwork or your choice of stock imagery. For the best quality, images should be sent at 300dpi in **jpg, psd, or tif format**, while vector files (preferred) should be in **ai, eps, or pdf format**.

*If you have a specific PMS (Pantone Matching System) color number to reference, you may submit that along with your artwork or use the attached PMS Color Chart as a **basic** reference. This chart is a helpful tool, but it should be understood that your monitor or printer settings will alter the look of certain colors. Every effort will be made to print as accurate as possible, but color variations may occur.*

For a better color match, send a sample item or garment and we will do our best to come as close as possible.
