Planning early, communicating regularly, and avoiding major changes to your design once committed will avoid delays in getting your uniforms!

STYLE OPTIONS:

Because our Custom Color Guard Uniforms are made to order, you're free to mix-and-match! This guide shows our most requested styles but you're not limited those shown.

REMEMBER: When you sign and return your "Sketch for Approval", you are stating that you have checked for accuracy. Double check spelling, artwork, color information, and pattern shape/size/dimensions.

FABRICS:

Choose from a our full selection of in stock color guard fabrics at bandshoppe.com/fabric! While Band Shoppe strives to represent colors as accurately as possible, colors and textures can look quite different in person. Keep in mind your choreography, field conditions, and weather your uniforms are subjected to, as certain fabrics will hold up better than others.

PRINTED UNIFORM ARTWORK:

We can always reduce the size of an image that's too big, but making a small image larger isn't so easy. Blowing up small images creates pixelation or blurriness. A good rule of thumb is: If the image you have in mind doesn't print crisp and clear on your home printer, it will look even worse on your uniform. Our Sales and Design Teams can work with you to create dazzling all-over and individual pattern piece prints using your artwork or your choice of stock imagery. For the best quality, images should be sent at 300dpi in **jpg, psd, or tif format**, while vector files (preferred) should be in **ai, eps, or pdf format**.

*If you have a specific PMS (Pantone Matching System) color number to reference, you may submit that along with your artwork or use the attached PMS Color Chart as a **basic** reference. This chart is a helpful tool, but it should be understood that your monitor or printer settings will alter the look of certain colors. Every effort will be made to print as accurate as possible, but color variations may occur.*

For a better color match, send a sample item or garment and we will do our best to come as close as possible.
