FIND YOUR SIZE by placing your heel on the semicircle below and aligning the back of your heel with the paper or a wall.

Measure each foot separately and be sure to put your full weight on your foot.

For the most accuracy, measure with the back of your heel against a wall wearing similar socks in which you'll be marching.

FIT TIPS

- Measure in the afternoon when feet are largest due to swelling.
- Choose the larger size if feet are between sizes or one foot is bigger than the other.
- Wear socks similar to those in which you'll be marching
